AMERICAS

Jobs for America's Grads (CA, FL, LA, US) –

Giving hard-to-reach youth access to skills training through Passport to Success, piloting mobile learning and connecting them with local hotels for career prep activities.

World Wildlife Fund (Mexico) – Creating and supporting watershed projects in communities that are at risk of running out of water (e.g. Mexico and Peru).

Hawaii State Division of Forestry & Wildlife (Hawaii, US) – Investing in watershed improvement projects on O'ahu, Maui and Big Island that restore the natural habit and increase water conservation.

Warren Easton Charter School (New Orleans, LA, US) – Expanding their career development curriculum and providing economic opportunities for youth in New Orleans.

Team Rubicon (Florida, US) – Supporting Team Rubicon's testing of resilient building materials to strengthen their home building program for disaster relief.

EMEA

Alternative Life Association (Turkey) –

Partnering with AYDER on programs for disadvantaged teenage girls to increase their employability and become social change makers.

UNICEF (Egypt) – Scaling an economic opportunity project with UNICEF to support skills development and career guidance for youth.

Foxes Academy (UK) – Expanding the Foxes Academy partnership to empower youth with disabilities to pursue employment opportunities.

Villa Russiz (Italy) – Tackling youth unemployment through investments in sustainable agriculture and skills training for youth to pursue opportunities in the Food and Beverage and Hospitality industries.

World Wildlife Fund (Botswana, Eswatini, Namibia, South Africa) – Expanding water conservation in our communities, and prioritizing local sourcing from water-efficient suppliers.

APAC

The Smith Family (Australia) – Supporting the expansion of the Learning for Life program, offering more disadvantaged youth a chance for a better future.

China Foundation for Poverty Alleviation (China) – Partnering with CFPA and the Sichuan Tourism University to launch a program supporting disadvantaged youth.

Magic Bus (India) – Helping youth gain important life skills and increasing their employability through activities like vocational training and mentoring.

Playground of Hope (Japan) – Supporting more youth from children's homes transitioning towards independence, offering work and project experience.

Youth Career Initiative (Vietnam) – Providing youth living in the nearby Vietnamese rural cities (who typically would not have the opportunity) with education and skills training through the International Tourism Partnership.
